Tony,

Correction:

The broken link to

<http://php.net/manual/en/function.mysql.insert-id.php>

or

<http://www.php.net/manual/en/function.mysql.insert-id.php>

linked from page:

<http://www.tonymarston.net/php-mysql/infrastructure-faq.html>

can be replaced with

<http://php.net/manual/en/mysql.insert-id.php>

Sorry for the mistake.
