Subject: Re: Documentation - assorted html errors Posted by jjtoranzo2004 on Tue, 15 Jan 2013 13:27:53 GMT View Forum Message <> Reply to Message

Tony,

In page

http://www.tonymarston.co.uk/aboutme/thoughts.html

Line 420, Column 4: end tag for element "p" which is not open

The Validator found an end tag for the above element, but that element is not currently open.

Thanks.
