Tony,

In

<http://www.tonymarston.net/php-mysql/many-to-many.html>

line 214

there is a literal "<>"

```
if (mysql_errno() <> <span class="string">0</span>) {
```

that should be replaced with "&lt;&gt;"

See

<http://validator.w3.org/nu/?doc=http%3A%2F%2Fwww.tonymarston.net%2Fphp-mysql%2Fmany-to-many.html>

[http://validator.w3.org/check?uri=http%3A%2F%2Fwww.tonymarston.net%2Fphp-mysql%2Fmany-to-many.html& charset=%28detect+automatically%29&doctype=Inline&group=0&user-agent=W3C\\_Validator%2F1.3](http://validator.w3.org/check?uri=http%3A%2F%2Fwww.tonymarston.net%2Fphp-mysql%2Fmany-to-many.html& charset=%28detect+automatically%29&doctype=Inline&group=0&user-agent=W3C_Validator%2F1.3)

Thanks.
