Tony,

Also in

<http://www.tonymarston.net/php-mysql/radicore-tutorial4.html>

the link to

[http://www.tonymarston.net/php-mysql/functions-and-variables.html#notes.\\_cm\\_getNodeData](http://www.tonymarston.net/php-mysql/functions-and-variables.html#notes._cm_getNodeData)  
(line 806)  
is broken.

It should be replaced with a link to

[http://www.tonymarston.net/php-mysql/functions-and-variables.html#notes.\\_cm\\_getnodedata](http://www.tonymarston.net/php-mysql/functions-and-variables.html#notes._cm_getnodedata)

Sadly html is case sensitive.

Thanks in advance.
