Subject: PDF - horizontal line in title zone Posted by htManager on Tue, 14 Jun 2016 14:42:30 GMT View Forum Message <> Reply to Message

Can I output a horizontal line in the title of a report and if yes, how?

I tried the following: I defined a (calculated) cell and want to show the 'Bottom' border but I don't succeed. Is there a different possibility?

Here is the code:
