at line 762 (notepad++)

missing opening parentheses for the VALUES. here is the full line.

```
INSERT INTO `mnu_pattern` (`pattern_id`, `pattern_desc`, `pattern_long_desc`, `visible_screen`,  
`context_preselect`, `keep_data`, `created_date`, `created_user`, `revised_date`, `revised_user`)  
VALUES('MULTI6', 'MULTI6 - Select/Modify multiple rows in a 3-level hierarchy', 'The top zone  
will act as a selection screen which will provide the selection criteria to populate the middle and  
inner zones with multiple occurrences.\n\nThe middle and inner zones are amendable by default,  
but can be made read-only.', 'Y', 'Y', 'N', '2013-10-17 13:39:29', 'AJM', NULL, NULL);
